

INSEPARABLE 2020

GUALTALLARY

100% Malbec

Inseparable comes from the heart of two blocks planted by the monks in 2010 in the valley floor of the Monastery

Traditionally VSP trellised, it sits over calcareous sands and gravels and therefore is a low yielding vineyard that finally ends in a limited number of bottles annually. This is a 100% Malbec from the most renowned appellation today in Argentina as well as one of the best terroirs in South America. Harvested at the end of March by hand, the grapes were destemmed and vinified with minimal intervention in small 3,000 litres concrete vats.

During the spring of 2019, there were a series of frosts suffered in mid-October, which meant production losses of around 50%. These conditions made it possible to produce more generous wines, with soft tannins and wide long mouthfeel.

After 35 days of extended maceration with the skins, we racked the wine and aged in the same cement vats for 12 months, bottling afterward's without any fining or filtering.

Total production vintage 2020:

6000 bottles of 750 cc.
